

Joining And Navigating Keeping Her Keys

There are two methods for joining our modern online coven and network.

On a Phone or Similar Device

Note: If you are using iOS (iPhone, iPad), all purchases go through the Apple Store. You will need to manage your subscriptions through your Apple Subscriptions. Additionally, courses are more expensive through the Apple iOS. To save money, we recommend you purchase your course through a browser, then use the app for access.

1. Download The Mighty Networks app.
2. Search for and select Keeping Her Keys.
3. Once you are on the Keeping Her Keys page, choose a membership plan.
4. Create your account.
5. Next you'll be directed to confirm subscription.
6. After that, you'll be asked about notifications. You can select "okay" to keep up to date with everything happening in your course and Keeping Her Keys (KHK).
7. After you enter KHK, click on your picture in the bottom right hand corner to customize your profile.
8. Choose "personal settings" then "edit profile."
9. Choose "interest" and then start to type in "Sacred Seven Student" or "Mystai Student," if you are in a course, or select another option, then tap on the matching interest. Take some time to describe yourself in the "introduction" part of your profile so others can learn about you and to help connect with those with similar interests.
10. Once your profile is updated return to the main page by tapping the KHK logo in the bottom left hand corner.
11. Explore the WELCOME section and scroll across to the "Start Here" guide.
12. Take a moment to answer our welcome question: "What do you bring to our circle?"
13. Now add to the strength of KHK by adding your voice to our spell of protection and blessing that you can find in the welcome section.
14. Click on the three little bars in the upper left hand corner to see the navigation menu.
15. Check out the DISCOVERY section for what is being currently featured.
16. Explore TOPICS to find all our wonderful witchery, including loads of DIY classes.
17. Join a GROUP to view KHK TV or join the book club.
18. RSVP to an EVENT to participate in live meetings. We usually record events for later viewing.
Note: We do NOT record rituals.
19. Introduce yourself with a quick post. We love to get to you know our new members.

If you signed up for a Master or Key Course:

1. Open the navigation menu and scroll down to "Courses."
2. Click on your course name to access it.
3. Review the information, introduce yourself and check out the course-specific topics and events found in the navigation menu (remember: those three lines in the upper left corner).
4. You can return to the main commons of KHK by using the logo in the bottom left hand corner.
